

COMMUNITY MEETING

City of Long Beach Belmont Plaza Pool Improvement Project

Councilmember Gary DeLong, and the Departments of Parks, Recreation and Marine and Public Works, invites you to a community meeting to discuss potential improvements of the Belmont Plaza Pool!

The architect team will use this community meeting to provide the project's background and history, and then turn the time over to you for your feedback. We are looking for your insight to assist us in this first step toward improving the Belmont Plaza Pool. Following this meeting, the architect team will incorporate your feedback to develop design concepts that will be presented at a later date (to be announced).

Please join us:
